

BRIAN GORECKI

VIDEO EDITOR/VIDEOGRAPHER

PROFILE

I'm a creative video editor with experience filming and editing a variety of projects, including corporate promos and behind-the-scenes content. I've worked with Simply Gold Productions on a BTS video about their work with the Vancouver Canucks, as well as projects for IG Wealth Management and the Delta School District. With training from Delta Film Academy, I've developed strong skills in camera work, lighting, and editing with Adobe Creative Cloud. I am dedicated to continuously improving my craft and am excited about the future opportunities in video production.

EXPERIENCE

Delta Film Academy - SDSS

2021 - 2024

- I spent 3 years at Delta Film Academy developing a strong foundation in filmmaking, learning essential skills such as camera operation, lighting, sound, and editing with Adobe Creative Cloud. I gained hands-on experience in all stages of film production, from pre-production to post-production, and learned about script writing, budgeting, and scheduling.

Simply Gold Productions

2024-2025

- **Limitless AV Business Profile:** Filmed and edited a behind the scenes video of how Simply Gold Productions filmed a business profile and testimony video for Limitless AV.
- **Grey Cup Halftime BTS Video:** Filmed a behind-the-scenes video for Simply Gold Productions as they documented the Grey Cup Halftime Show at BC Place. Captured their crew in action as they filmed the setup, rehearsals, and halftime performance by the Jonas Brothers, along with all the behind-the-scenes work that goes into a production of this scale. Also photographed some key moments throughout the event, including Prince Harry's surprise appearance as he promoted the Invictus Games. Being part of such a massive production, surrounded by top-tier talent and high-energy moments, was an incredible experience.
- **Canucks "Mission Home" BTS Video:** Filmed and edited a behind-the-scenes video showcasing how Simply Gold Productions created the Vancouver Canucks home opener video. Captured supporting shots used in the main BTS video and edited a separate piece highlighting the production process.
- **"Chimera's Ghost" BTS Documentary:** Edited a behind-the-scenes documentary for the indie film Chimera's Ghost, a beautifully shot and well-crafted movie. This was one of my favorite projects to work on.
- **IG Wealth Management Corporate Video:** Filmed and edited a professional video for IG Wealth Management, a national financial firm based in downtown Vancouver.

EXTRA-CURRICULAR

- **Musical Theatre** – I have spent the last three years performing in Delta Youth Theatre and SDSS musical theatre productions. Currently playing Harold Hill in Delta Youth Theatre's The Music Man and the Scarecrow in SDSS's The Wizard of Oz.
- **Vocal Performance** – I have been singing with the SDSS Jazz Choir for three years.
- **Hockey** – I played for seven years, developing teamwork, discipline, and perseverance.
- **Rubik's Cube Competitions** – I previously competed in speedcubing and still enjoy solving complex cubes.

Through these experiences, I've learned how to communicate effectively, collaborate with different teams, and adapt to new challenges. Performing has helped me become comfortable working with people, taking direction, and understanding how to engage an audience—skills that carry over into video production, whether I'm filming on set or working with clients in the editing process.

BRIAN GORECKI

VIDEO EDITOR/VIDEOGRAPHER

EXPERIENCE CONTINUED

- **Delta School District - Home Quest Program** 2025
 - Filmed and edited a promotional video for the Home Quest learning program for elementary students. Shot interviews, captured cinematic b-roll, and edited the final piece using Adobe Premiere Pro.
- **Eyes Multimedia** 2024-2025
 - Filmed the National MBA Games and BC MBA Games, two of Canada's top business school competitions, hosted by University Canada West. Also photographed teams and candid moments, capturing competitors celebrating wins, posing with teammates, and showing off their school spirit.
- **Daybreak Point Bible Camp - Lead Video** 2024
 - Filmed and edited comedy skits, montages and news recaps on a daily basis for a week at a boys camp in Anvil Island.
- **Chainlink Productions - Spec Work** 2024
 - Edited two real estate promotional videos using FCPX.
- **Video Editor - Infocus Web Marketing** 2021-2024
 - Created a true-crime style video using stock footage to depict the events of a personal injury case.
 - Drone footage and lighting/audio interview set up for a capital campaign video for Delta Christian School.
 - Filmed and edited a dozen tiktok videos for a personal injury lawyer in New Jersey.
 - Edited 50 promotional videos for a medspa.
- **Sizzle Productions & JustSizzle YouTube Channels** 2015-2024
 - Filmed and edited 8 short films and 50 shorts.
 - Created and edited over 80 minecraft videos.

VOLUNTEER EXPERIENCE

- **Theatre Lighting Technician, Equinox Theatre** 2021-2022
 - Successfully operated a spot light for a show and was apart of the team responsible for all of the lighting in the show.
- **Media Team, Lighthouse Church Ladner**
 - Audio & Sound Technician 2025
 - Operate the soundboard during Sunday morning services, ensuring clear audio for speakers and musicians.
 - Media Operator 2021-2025
 - Running PowerPoint presentations for worship and sermons during Sunday morning services.
